# A Message from the Minister for the Civil Service Pension Board

Dear Candidate,

Thank you for your interest in this vacancy for a Member of the Civil Service Pension Board (CSPB).

You may already have some idea about the important work of CSPB and the following pages will tell you more about CSPB purpose and the nature of the Board and this General Member role, as well as the application process. Please do also view the Civil Service Pension Board website to understand their work and the strategic framework review they are currently undertaking: <https://www.civilservicepensionscheme.org.uk/about-us/civil-service-pensions-board/>

If, after reading the material, you have further questions about any aspect of this post you are welcome to speak to Jason Dear or Karen McGhee (cspbapplications@cabinetoffice.gov.uk).

If you believe you have the experience and qualities we are seeking, we very much look forward to hearing from you.

**Minister for the Civil Service Pension Board**

# Diversity and Equality of Opportunity

---

Public Appointees play an important role in public life on the board of public bodies and in statutory offices. For this reason, it is of great importance that these boards reflect the diversity of the UK as a whole. We welcome applications from all candidates regardless of ethnicity, religion or belief, gender, sexual orientation, age, disability, gender identity.

We ask all applicants to public appointments to complete a diversity monitoring form. This is not provided to the Advisory Assessment Panel and plays no role in the appointment decision. We hope you will help us by providing this information. This will allow us to see if there are any unfair barriers to becoming a public appointee and whether there are any changes we could make to encourage a more diverse field to apply. Please find the link in the how to apply section below.

## Disability Confident

Disability Confident is a voluntary scheme which replaced the Guaranteed Interview Scheme or Two Ticks Scheme that was widely used in Britain. Disability Confident supports the Government's commitment to halve the employment gap between candidates who have disabilities and those who do not by encouraging employers to think about disability and to take positive action to improve how they attract, recruit and retain workers with disabilities.

As a Disability Confident employer, we are committed to ensuring that candidates with disabilities are provided with the adjustments that they require as part of the recruitment process. If you require any reasonable adjustments, please contact the [Sponsor Team](#) to discuss your requirements.

We will also offer an interview to a fair and proportionate number of disabled applicants that meet the minimum criteria for the job - by minimum criteria you must be able to provide sufficient evidence to demonstrate relevant skills and experience for each of the selection criterion set out in the [Person Specification](#) section. This does not mean that all candidates who have a disability are entitled to an interview.

The aim of this commitment is to encourage positive action for candidates with disabilities, encouraging them to apply for positions in public life by offering them the assurance that, should they meet the minimum criteria as advertised for the position, they will be given the opportunity to demonstrate their skills, talent and abilities at the interview stage.

It is important to note that if we receive a higher volume of applications that far exceeds the number of those expected then we may need to limit the overall numbers of interviews offered. This will include the number of interviews offered to Disability Confident candidates that meet the minimum criteria for the role.

# How we will handle your application

---

This appointment is regulated by the Commissioner for Public Appointments. Appointments are made on merit following a fair and open competition process which is conducted in accordance with the Governance Code for Public Appointments. The public appointments process can be lengthy. However, we aim to conclude the appointment process within three months of the deadline for applications – this is in accordance with the Governance Code.

## The assessment process for a public appointment

1. Ministers are responsible and accountable to Parliament for the public appointments made within their department. As a result, they must be consulted at every stage of the appointments process.
2. An Advisory Assessment Panel (“Panel”) is appointed by Ministers to assist them in their decision making. The role of the [Panel](#) is to decide, objectively, which candidates meet the [eligibility criteria](#) for the role.
3. At the shortlisting meeting the Panel will assess applications against the eligibility criteria and decide which candidates should be recommended for interview. Ministers will then be consulted on the Panel’s recommended shortlist.
4. Once the shortlist has been agreed by Ministers, you will be advised (by email) whether you have been shortlisted. Those shortlisted will be invited to an interview in London.
5. The Panel will meet again to interview candidates and determine who is appointable to the role. The names of all appointable candidates are provided to Ministers. It is then for Ministers to determine merit and decide who should be appointed. In some circumstances, Ministers may choose not to appoint any candidates and re-run the competition.
6. The Panel’s recommendations will be provided to Ministers in a report which details the assessment method used and the outcome of each interview. They will then be asked to agree on the candidate(s) who should be appointed.
7. This appointment is made by the Prime Minister who, following the appointments process, will take the final decision on who to appoint.
8. Once the decision on the appointment has been made, interviewed candidates will be advised of the outcome of their application. Successful candidates will be issued with their Terms & Conditions and a letter of appointment should they agree to take up the position.
9. If your application is unsuccessful and you would like feedback, please let the [Sponsor Team](#) know. We regret that we are only able to offer feedback to candidates who have been unsuccessful at interview stage.

---

## Ineligibility criteria

---

You cannot be considered for a public appointment if:

- you become bankrupt or make an arrangement with creditors;
- your estate has been sequestrated in Scotland or you enter into a debt arrangement programme under Part 1 of the Debt Arrangement and Attachment (Scotland) Act 2002 (asp 17) as the debtor or have, under Scots law, granted a trust deed for creditors;
- you are disqualified from acting as a company director under the Company Directors Disqualification Act 1986;
- you have been convicted of a criminal offence, the conviction not being spent for the purposes of the Rehabilitation of Offenders Act 1974 (c. 53);
- you become subject to a debt relief order or a bankruptcy restrictions order;
- you fail to declare any conflict of interest.

## Conflicts of interest and due diligence

---

Given the nature of public appointments, it is important that those appointed as Members of public bodies maintain the confidence of Parliament and the public. If there are any issues in your personal or professional history that could, if you were appointed, be misconstrued, cause embarrassment, or cause public confidence in the appointment to be jeopardised, it is important that you bring them to the attention of the Advisory Assessment Panel (“Panel”) and provide details of the issue(s) in your application. In considering whether you wish to declare any issues, you should also reflect on any public statements you have made, including through social media.

As part of our due diligence checks we will consider anything in the public domain related to your conduct or professional capacity. This will include us undertaking searches of previous public statements and social media, blogs, public registers (e.g. Individual Insolvency Register, Removed Trustee Register, Financial Services Prohibited Individual Register and Disqualified Directors Register) or any other publicly available information.

The Panel must satisfy itself that all candidates for appointment can meet the standards set out in the Seven Principles of Public Life and have no outside interests which present a conflict of interest or otherwise call into question their ability to perform the role. Any actual, reasonably perceived or potential conflicts of interest identified during the appointment process and potential mitigations will be explored with the candidate at interview. This information will also be included in the final advice to Ministers at the end of the appointment process.

---

If you have any interests that might be relevant to the work of **Civil Service Pension Board** and which could lead to a real or perceived conflict of interest if you were to be appointed, please provide details in your application. If you have queries about this and would like to discuss further please contact the [Sponsor Team](#). A potential conflict will not preclude you from being shortlisted or appointed. However, arrangements may need to be put in place to manage the real or perceived conflict.

---
